To The Trade

We desire to call particular attention to our large and well grown general line of **Fruit Trees**. Our **Apple, Peach, Pear, Plum** and **Cherry** are **especially fine**. Our soil is high, rolling Missouri river bluff land, insuring healthy, well rooted stock. Everything offered is grown to the highest standard, and will be carefully graded. To intending purchasers, who cannot call to examine stock, we will be pleased to send samples. All the stock is **our own growing**, and equal to any grown anywhere. **All our nursery lands are 50 to 250 feet above the Missouri river flood line.**

Those who wish to buy in car load or larger quantities than indicated in this list, or special sizes, will please write us. We promise the best terms the size of the order and current prices will permit.

Dealers and others will find our facilities for the careful, rapid handling of stock, first class in every respect. Storage buildings and sheds are ample, with an abundant supply of water. 100,000 cubic feet frost-proof cool storage.

New Haven is on the Missouri Pacific Railway, and also on the Missouri river, 67 miles west of St. Louis by rail.

Shipping season usually begins about February 10th and continues till May.

Packing in very best manner. Paper lined boxes at cost as follows: 20x20x9 feet, \$1.50; 24x24x9 feet, \$2.00; 30x30x9 feet, \$2.50.

We use the greatest care possible to have our stock true to name, and should any not prove true, we stand ready to replace it free of charge or to refund the purchase money, but do not hold ourselves liable for any greater amount than the first cost of stock that may prove not true.

Special Prices for Cash. For convenience we have prepared SPECIAL PRICES on every kind and grade of stock we offer, at which the stock will be packed and placed on board cars at New Haven, without additional charge. for NET CASH WITH ORDER. This will enable the purchaser to remit the exact amount of his order.

Terms Cash, unless specially agreed otherwise. FIVE PER CENT DISCOUNT FOR CASH WITH ORDER, WHERE NO DISCOUNTS ARE OTHERWISE MADE.

Reference—Any of the local Banks, the Commercial Agencies or to any of the leading nurseries of the country.

Note—All telegrams are promptly transmitted by telephone.

Entomologist's Certificate will be attached to all shipments.

Peach Trees

Our Peach Trees are budded on Seedlings from natural native pits, absolutely free from disease. No scale or yellows in this county. All stock now on hand and budded, with but few exceptions, is from "mother blocks," which are budded the previous year from bearing trees and every care is taken to have varieties true to label. Will be graded full caliper and height.

Shipments South, from frost proof storage during winter months.

Can furnish Elberta, Crawford's Late, Capt. Ede, Champion and other commercial sorts in large quantities.

Business Notice

Our shipments for spring and fall of 1904 consisted of **700,000 fruit trees**, which went to thirty-seven states and territories, a total of about **forty furniture car loads**. We have now growing on our premises over **TWO MILLION FRUIT TREES**, all clean and healthy—nothing over three years from bud or graft. Our facilities for winter shipments South and West are good, using the Iron Mountain Route South, via St. Louis, Little Rock, Texarkana, El Paso and other points, for shipments to Gulf or Pacific Coast States. We are on the main line of the Missouri Pacific Ry. between Kansas City and St. Louis. St. Louis freight rates will apply to shipments West.
